

# Ruben

Turn photos, videos, text, and audio  
into music you can understand and control.

Multimodal → Semantic Tree → Music

David Korcak   Frantisek Kmjec · Hack-Nation 2026

# How Ruben Works

**Pass 1:  
Decompose**  
LLM builds a tree of musical characteristics

**Edit the Tree**  
Tweak any node — mood, instruments, tempo

**Pass 2:  
Assemble**  
LLM resolves conflicts into a coherent prompt

# Ruben

Interpretable · Editable · Multimodal

Style transfer via text · Version history · Full parameter control
